Throughout my 14 year DEI career, one of the most valuable experiences I have had is engaging in Certified Diversity Executive training with Sarika Bhakta, CDE of Nikeya Diversity Consulting. Her commitment to facilitating a collegial, welcoming, and inclusive environment as a professional is appreciated and valued. She is a leader that makes everyone around her better. I cherish her pragmatic approach in finding tangible solutions for complex DEI related issues. I have the utmost personal and professional respect for Sarika. I harbor no reservation in wholeheartedly recommending her to work with you and your organization.

I am so glad I reached out to Felicia and joined the Certified Diversity Professional program from the Institute for Diversity. The 3-day training was engaging, interactive and at times, challenging. As a result of Felicia's excellent facilitation skills, I have grown both personally and professionally. I am far more confident in my ability to educate and assist others on DEI topics. I highly recommend hiring Felicia for any DEI needs and especially for this particular training. She is a dynamic presenter with a wealth of knowledge and a great sense of humor. Her gentle, inclusive demeanor creates a safe environment so participants feel open to discuss difficult issues, share experiences and learn from each other.
